**CONEJO JOVEN**  
TEMPRANILLO 2018

**94 POINTS**

“Made in a Joven style yet i’m pretty sure there is a lick of new oak which gives some spice and chocolate notes to the nose that is brimming with cherry and plum fruit. The palate is flowing and there is an underlying rose petal note that gives an elegance to plum fruit that has an understated earthen note and generous spice to finish. Acid and tannin are in great balance which has you coming back for another sip.”
